

# 5 JUICY QUESTIONS FOR...

Luke Bryan,

37, country singer currently headlining the That's My Kind of Night tour

## Fast Talk

- > **Long hair or short?**  
Long hair, definitely.
- > **Makeup or natural?**  
A little bit of both. Not too much makeup.
- > **Perfume or nothing?**  
Perfume.
- > **Desert-island must-have?**  
A cold Miller Lite.
- > **What do you sleep in?**  
Typically just Under Armour underwear.

# 1

**How does it feel to sing and dance in front of thousands of women?**  
If I'm up there not taking myself too seriously and letting the girls watch me shake it a little bit, that's what makes the whole vibe of the night fun. It allows people to let their hair down.

# 2

**What do you think is a sexy quality in a woman?**  
My wife is really athletic. She's so in tune with staying in shape, playing tennis, and working out...it turns me on.

# 3

**How do you and your wife keep your bond strong?**  
I think the important thing is that we try to communicate as much as we can. If we have a little hiccup with one another, we talk it out, figure it out, close the book on it, and move on down the road.

# 4

**Do you have a bromance crush?**  
I saw that David Beckham ad [H&M], and I was like, that's a badass dude right there.

# 5

**What's the best gift you've ever received?**  
My wife found my brother's truck that was 20 years old—he passed away in 1996. She tracked it down in southern Louisiana after seven owners.
